Recommendation letter for services offered to AAHI

I am writing this letter to recommend the services of Enviro Limited to you. During the past three years Enviro Limited has been working with Action Africa Help International to fumigate our warehouses across South Sudan (Wau, Rumbek, Maban, Jamjang and Juba). The company offers high quality services. I can say that we have always been satisfied by their work.

I recommend the services of the company and I am looking forward to working with the company again for future fumigation services.

Sincerely,

Sekalala Moses

Warehouse Manager
